

# NO-MAN STEERABLE MWD

*Power drilling from a distance, with our unmanned MWD tools. Drill without boundaries.*

## FEATURES

- Retrievable Bottom Landing Mud Pulse Tool
- Automatic Survey After Connection
- Reliable Azimuth with NMDC Spacing
- 9-Second Average ToolFace Updates
- Real-Time Shock, Vibration & Temperature
- Dynamic Inclination & Azimuth Available
- 24/7 Remote Steering & Gamma Logging Available
- Configurable to Specific Requirements
- Quick to Assemble, Train & Install in BHA

## PARAMETERS

- Inclination Range 0-180°
- Inclination Accuracy +/- 0.10°
- Azimuth Range 0-360°
- Azimuth Accuracy +/- 0.25°
- Gamma Range 0-1024 CPS
- Flow Range 200-1300 GPM
- LCM Tolerance 50ppb Med Nut Plug
- Retrievability  $\geq 2.25$
- Collar Length 14-18'
- Collar Sizes Available 4.75"-8.00"
